September 5, 2025

Isabelle Choi, MD, FACRO
Memorial Sloan Kettering

Dear Dr. Choi,

On behalf of ACRO's Scientific Program Committee, we invite you to speak at the 2026 ACRO Radiation Oncology Summit, as part of the Scientific program. This event will be held at the Disney Dolphin Resort in Orlando, February 4 – 7, 2026, and we anticipate over 400 practitioners to attend, including RadOnc Residents, New Practitioners, Attending Physicians and Allied Health Professionals.

Presentation Details:

Plenary Session:	BREAST
Topic:	High risk and recurrent breast cancer management / re-irradiation for breast cancer
Date of Session:	Thursday, 2/5/26
Time of Session:	10:00 AM - 11:00 AM
Length of YOUR Presentation:	15-20 minute presentation, plus Q&A

**Subject to change, please plan to attend 2/4-7/2026.

Speaker Responsibilities:

1. Reply to this email with acceptance of this request. On receipt of your confirmation, the Meeting Manager, Sallie Baumann, will send you a link to the Cadmium portal for the event.
1. **The first hurdle of this program's approval is clearance through the ACRO Ethics Committee**. For that, we must have the below items from you no later than September 30, 2025, through the Cadmium portal (You will receive a separate email through that system):
   - Your name and organization, as they should be listed in the event program;
   - Your financial disclosures as required by ACCME for our CME award;
   - A title for your presentation;
   - A brief version of your CV (no longer than five pages); and
   - A high-resolution digital color head-and-shoulders photo for printed and digital programs.
2. **ACRO's complete CME Application MUST be submitted by December 5, 2025**. For this, we MUST include the below items from you (including your CV and financial disclosure from above):
   - A ***final*** title for your presentation; and
   - ***Three learning objectives*** for your presentation.
3. Submit by January 23, 2026:
   - Your FINAL slide deck, in **16:9 widescreen** format.
   - Your short biography/introduction, for the event app.

Speaker Benefits:

ACRO is pleased to support your participation with:

- Complimentary conference registration;
- Two complimentary nights in the host hotel; and
- Travel costs up to $500 (reimbursable at close of event, with receipts).

Key Elements for ACRO Presentations:

- Minimal background: treatment-based
- Focused on clinical take-home, advanced guidance
- Suggestions for advanced modality treatment
- A glance at future of treatment
- A concise slide deck with large fonts (remember, your part is **20-25** minutes, total.)

Additional Requests for ACRO Speakers:

ACRO now has a new peer-reviewed and PubMed-indexed, free journal *CURiE*. We hope that all plenary speakers submit a review article providing summary of your presentation by March 31, 2026.

Do you know about the ACRO SEAL Program? It's part of the February Conference, a dynamic two-day program designed for leaders in your practice who are NOT physicians. That's lead therapists, nursing or dosimetry heads, and administrators, on a track to tackle topics such as staffing challenges, quality assurance, operational strategy, patient safety and satisfaction. Connect us with those persons in your organization, and help ACRO's outreach with that side of the care team.

As we get closer to the meeting, the SPC lead coordinators of your session (that's you and Mona Arbab) will be in touch with you with additional details. Please be sure to submit your materials in a timely manner – expect that separate email from Sallie Baumann through the Cadmium system shortly. We thank you for your time and availability.

Dear Dr. Rash,

On behalf of ACRO's Scientific Program Committee, we invite you to speak at the 2026 ACRO Radiation Oncology Summit, as part of the Scientific program. This event will be held at the Disney Dolphin Resort in Orlando, February 4 – 7, 2026, and we anticipate over 400 practitioners to attend, including RadOnc Residents, New Practitioners, Attending Physicians and Allied Health Professionals.

Presentation Details:

Plenary Session:	GYN
Topic:	Approaches to Treating Inoperable Endometrial Cancer
Date of Session:	Friday, 2/6/2026
Time of Session:	11:00 AM - 12:00 PM
Length of YOUR Presentation:	15-20 minute presentation, plus Q&A

**Subject to change, please plan to attend 2/4-7/2026.

Speaker Responsibilities:

1. Reply to this email with acceptance of this request. On receipt of your confirmation, the Meeting Manager, Sallie Baumann, will send you a link to the Cadmium portal for the event.
2. **The first hurdle of this program's approval is clearance through the ACRO Ethics Committee**. For that, we must have the below items from you no later than September 30, 2025, through the Cadmium portal (You will receive a separate email through that system):
   - Your name and organization, as they should be listed in the event program;
   - Your financial disclosures as required by ACCME for our CME award;
   - A title for your presentation;
   - A brief version of your CV (no longer than five pages); and
   - A high-resolution digital color head-and-shoulders photo for printed and digital programs.
3. **ACRO's complete CME Application MUST be submitted by December 5, 2025**. For this, we MUST include the below items from you (including your CV and financial disclosure from above):
   - A ***final*** title for your presentation; and
   - ***Three learning objectives*** for your presentation.
4. Submit by January 23, 2026:
   - Your FINAL slide deck, in **16:9 widescreen** format.
   - Your short biography/introduction, for the event app.

Speaker Benefits:

ACRO is pleased to support your participation with:

- Complimentary conference registration;
- Two complimentary nights in the host hotel; and
- Travel costs up to $500 (reimbursable at close of event, with receipts).

Key Elements for ACRO Presentations:

- Minimal background: treatment-based
- Focused on clinical take-home, advanced guidance
- Suggestions for advanced modality treatment
- A glance at future of treatment
- A concise slide deck with large fonts (remember, your part is **20-25** minutes, total.)

Additional Requests for ACRO Speakers:

ACRO now has a new peer-reviewed and PubMed-indexed, free journal *CURiE*. We hope that all plenary speakers submit a review article providing summary of your presentation by March 31, 2026.

Do you know about the ACRO SEAL Program? It's part of the February Conference, a dynamic two-day program designed for leaders in your practice who are NOT physicians. That's lead therapists, nursing or dosimetry heads, and administrators, on a track to tackle topics such as staffing challenges, quality assurance, operational strategy, patient safety and satisfaction. Connect us with those persons in your organization, and help ACRO's outreach with that side of the care team.

As we get closer to the meeting, the SPC lead coordinators of your session (Ivy Franco, Emma Fields, Pranshu Mohindra) will be in touch with you with additional details. Please be sure to submit your materials in a timely manner – expect that separate email from Sallie Baumann through the Cadmium system shortly. We thank you for your time and availability.

Speaker Responsibilities:

1. Reply to this email with acceptance of this request. On receipt of your confirmation, the Meeting Manager, Sallie Baumann, will send you a link to the Cadmium portal for the event.
2. **The first hurdle of this program's approval is clearance through the ACRO Ethics Committee**. For that, we must have the below items from you no later than September 30, 2025, through the Cadmium portal (You will receive a separate email through that system):
   - Your name and organization, as they should be listed in the event program;
   - Your financial disclosures as required by ACCME for our CME award;
   - A title for your presentation;
   - A brief version of your CV (no longer than five pages); and
   - A high-resolution digital color head-and-shoulders photo for printed and digital programs.
3. **ACRO's complete CME Application MUST be submitted by December 5, 2025**. For this, we MUST include the below items from you (including your CV and financial disclosure from above):
   - A ***final*** title for your presentation; and
   - ***Three learning objectives*** for your presentation.
4. Submit by January 23, 2026:
   - Your FINAL slide deck, in **16:9 widescreen** format.
   - Your short biography/introduction, for the event app.

Speaker Benefits:

ACRO is pleased to support your participation with:

- Complimentary conference registration;
- Two complimentary nights in the host hotel; and
- Travel costs up to $500 (reimbursable at close of event, with receipts).

Key Elements for ACRO Presentations:

- Minimal background: treatment-based
- Focused on clinical take-home, advanced guidance
- Suggestions for advanced modality treatment
- A glance at future of treatment
- A concise slide deck with large fonts (remember, your part is **15-20** minutes.)

Additional Requests for ACRO Speakers:

ACRO now has a new peer-reviewed and PubMed-indexed, free journal *CURiE*. We hope that all plenary speakers submit a review article providing summary of your presentation by March 31, 2026.

Do you know about the ACRO SEAL Program? It's part of the February Conference, a dynamic two-day program designed for leaders in your practice who are NOT physicians. That's lead therapists, nursing or dosimetry heads, and administrators, on a track to tackle topics such as staffing challenges, quality assurance, operational strategy, patient safety and satisfaction. Connect us with those persons in your organization, and help ACRO's outreach with that side of the care team.

As we get closer to the meeting, the SPC lead coordinators of your session (Annie LaVigne and Jennnifer Lee) will be in touch with you with additional details. Please be sure to submit your materials in a timely manner – expect that separate email from Sallie Baumann through the Cadmium system shortly. We thank you for your time and availability.

Pranshu Mohindra, MD
University Hospitals

Dear Dr. Mohindra,

On behalf of ACRO's Scientific Program Committee, we invite you to speak at the 2026 ACRO Radiation Oncology Summit, as part of the Scientific program. This event will be held at the Disney Dolphin Resort in Orlando, February 4 – 7, 2026, and we anticipate over 400 practitioners to attend, including RadOnc Residents, New Practitioners, Attending Physicians and Allied Health Professionals.

Presentation Details:

Plenary Session:	THORACIC
Topic:	Practical use of Hypofractionation in lung cancer
Date of Session:	Saturday, 2/7/26
Time of Session:	11:30 AM - 12:30 PM
Length of YOUR Presentation:	15-20 minute presentation, plus Q&A

**Subject to change, please plan to attend 2/4-7/2026.

Speaker Responsibilities:

1. Reply to this email with acceptance of this request. On receipt of your confirmation, the Meeting Manager, Sallie Baumann, will send you a link to the Cadmium portal for the event.
2. **The first hurdle of this program's approval is clearance through the ACRO Ethics Committee**. For that, we must have the below items from you no later than September 30, 2025, through the Cadmium portal (You will receive a separate email through that system):
   - Your name and organization, as they should be listed in the event program;
